

About The Institute

Nestled in the foothills of Shivalik range of western Himalayas, away from the bustle of metropolis and near the left bank of river Beas, a new abode of higher learning came into being on October 07, 1995. Surrounded by many educational institutions, this college is situated at village Bharmoti across NH-88 at a distance of 2 km from the town Nadaun on Dharmashala-Shimla road. The sprawling campus is spreading in several acres in sylvan surroundings that bless it with an unmatched serenity. The whispering pines and mighty trees send the signals of inspiration and add to its natural beauty which augment both academic and professional atmosphere of the institution.

Affiliated to Himachal Pradesh University Shimla, the college is imparting education mainly to rural youths in various disciplines i.e. humanities, science and commerce at undergraduate level. The college also runs self-financing courses in BBA and BCA. The admission in all disciplines in the first year of bachelor degree courses is offered as per HPU norms. The college is recognized by UGC, New Delhi and is covered under section 2 (f) and 12 B of UGC Act. 1956. With GYAN CHARITRA & DIKSHA as its motto, the college has a team of highly qualified, dedicated and innovative teachers. In the short span of 23 years, the institution has excelled in academics, cultural, sports and co-curricular activities

ORGANISING COMMITTEE

Patron:

Dr. Satinder Sharma, Principal

Convener:

Dr. Chandan Bhardwaj

Co Convener:

Dr. Vijay Thakur

Organizing Secretary (Academics):

Dr. Reetika Jamwal

Organizing Secretary (Administration):

Dr. Naveen Sharma

Treasurer:

Mr. Naresh Kumar

Seminar Executive Members

1. Ms. Vanita Dhanotia
2. Dr. Suresh Kumar
3. Ms. Alpana Sharma
4. Ms. Jyotsna
5. Ms. Ruchi Sangal

ABOUT THE SEMINAR

Today environmental preservation, cleanliness & health have gone from a niche interest to the mainstream. Whether you call it a buzzword or call it a movement, the environmental preservation and cleanliness thought is revolutionizing nearly every one of us. Whole Systems Thinking Method(elements and systems are related) as a basis for paradigmatic change is evident in such products as the ECOS line of cleaners, which are PH balanced, biodegradable, recyclable & never tested on animals. Every element of our existence is derived from our surroundings. The drive for eco friendliness has led to a sort of environmental cleanliness & sustainability race. Environmental Preservation envisages promotion of health of the community. Therefore creating a clean and healthy environment is a shared responsibility

The main objective of this seminar is to explore the ontological status of the categories that make up environmental discourse such as nature, environment and ecology. The relationship between environmental ethical/ philosophical theory and environmental practices in academe and outside shall be deliberated upon and how different scholarly disciplines such as geography, sociology, history, anthropology and literary and cultural studies respond to the environmental problems and challenges.

Call for Papers

Papers are invited for the conference on the following related themes and areas of interest.

Sub Themes of the Seminar

- Importance of Environment and Conservation and Cleanliness in New India.
- Govt. Policies and Programmes for Environmental Preservation.
- Role of Educational Institutions, NGOs and Youth in creating clean and healthy Environment
- Environmental influences on Physical, Social and Mental Health.
